Dear Hiring Manager,

I am writing to express my interest in the UI-UX Designer position at West Pharmaceutical Services. I have over four years of experience in UIUX design and cross-functional collaboration, I am confident in my ability to bring value to your team.

Currently, I work at a MarTech company using AI to analyze internet traffic and enhance marketing strategies. During this time, I successfully contributed to two product launches, two digital projects, and a large offline event.

I believe my skills and background would make a strong addition to West Pharmaceutical Services, and I look forward to the opportunity to contribute and grow with your team.

Thank you for your time and consideration. I am looking forward to learning more details about this position and company.

Sincerely,
Coral Tsai
